Tentacle TeleCalling: How it Works

Ask about our unique innovation: Feet-On-Street feature! Monitor your Field Force on meetings! Tell your Field Force to upload images and documents from Client Site itself! Get LIVE updates! Get LIVE meeting results!

Features and Benefits

- **Works Everywhere:** As a Cloud Software on your laptop **OR** as a Mobile App on your cell-phone/tablet
- **Still Use Excel?** To follow leads and make notes? Cannot track calls made? Depend on Telecaller's verbal feedback?
- **LIVE Call Reports:** Avg. Call Time, Avg. Calls per Day, Avg. Conversion Rate. Monitor campaigns for best results
- **LIVE Call Recordings** on your mobile phone: Listen from anywhere! Use to monitor & train agents
- **"Feet-On-Street"** feature! Monitor your Field Force on meetings! Tell them to upload images and documents! Get LIVE updates! Get LIVE meeting results!
- **Customized Reports by Industry:** Captures all information in Industry language. Accurate analysis and Staff training
- **Reduce Operating Cost:** Telecaller can be at any location. Promotes work from home & part-time schedules
- **Create Campaigns, Manage & Upload data:** Integrated with lead providers e.g. JustDial, AskMe, Magicbricks,
- **DND issue solved:** Stop using PRI lines. Reduces high telephony costs & charges!
- **Integrate with your current systems:** Tentacle is easily integrated with any current systems you use e.g. CRM, Inbound IVR
